Since 1984, Treasure Garden has manufactured the widest selection of shade products in the world. We offer more than 25,000 variations of shade solutions and accessories. From our state-of-the-art Cantilevers to our wide variety of fashion forward market umbrellas, Treasure Garden has a perfect shade solution for your outdoor environment.

Founder, Oliver Ma began his manufacturing experience at an early age by apprenticing and mastering the craft of umbrella construction. His uncompromising attention to detail and strong work ethic, laid the groundwork for the successful formation of Treasure Garden.

Facilities
Our Southern California facility in Baldwin Park, as well as both our state-of-the-art facilities in Ningbo and Qingdao, China are integral parts of our business operation and point of service. Treasure Garden is a vertically integrated manufacturer. We manufacture and produce over 90% of the components used in our products from their raw state. This allows Treasure Garden the advantage of monitoring every stage of the manufacturing process to maintain a consistent level of quality and delivery.

Leadership
Treasure Garden is a one stop shop for our dealer base. We offer the most comprehensive line of umbrellas, bases, lights, protective covers, and outdoor rugs in the industry; all from one reliable source.

Merchandising
Treasure Garden knows how important merchandise assortment and presentation is and has a variety of programs available to help the dealers highlight, showcase, and sell our products including our GOOD/BETTER/BEST program; a comprehensive and well-designed program of frames and fabrics to be able to market and sell better shade to the marketplace.

Treasure Garden has always been the leader in fabric color trends, frame finishes and style features. We are proud to hold the title of the vendor with the largest volume and highest gross margin in our industry for most of our dealers today.

Passion and Dedication
The 3,500 employees who share in the same vision on a daily basis and their attention to detail enables Treasure Garden to continue to be “The World’s Favorite Shade”.

Fabric Care & Cleaning Instructions

General Information

100% Solution-Dyed Acrylic Fabrics:
Grade A
Limited warranty: 5 years against fading

100% Solution-Dyed Polyester Fabrics:
Grade C (Our exclusive 4800 series)
Limited warranty: 4 years against fading

Most stains on Solution-Dyed fabrics can be cleaned up with a mild soap and water solution. Solution-Dyed fabrics should be cleaned regularly before substances such as dirt, etc., are allowed to accumulate on and become embedded in the fabric. The fabric can be cleaned without being removed from the umbrella. Simply brush off any loose dirt, etc., clean with warm water (no more than 100°F) and a mild natural soap. Rinse thoroughly to remove soap. When using liquid detergent, it may be necessary to re-apply a water repellent treatment, such as 303 Hi Tech Fabric Guard. When washing or cleaning, do not subject to excessive heat as the fabric will shrink. Do not steam press or dry in electric or gas dryers. Allow fabric to air dry. In case Solution-Dyed fabrics are stored during the winter season, it should be cleaned, allowed to air dry and stored in a dry, well-ventilated area. For stubborn stains, please see the stain cleaning chart for more specific cleaning instructions.

Protective Furniture Covers

The Treasure Garden Protective Furniture Covers are made with RhinoWeave®, a Treasure Garden exclusive. Designed to be durable, breathable, and water resistant and will not crack or peel like vinyl. All covers come with a one year warranty.

Furniture Covers features:
- Spring cinch lock to secure protective cover into place for a snug fit.
- Convenient storage pouch sewn onto most covers.
- Machine washable

Our Treasure Garden (take-one) consumer brochure will help your customers select the right Protective Cover style(s) to help protect their investment – ALL YEAR ROUND.
How to measure for your protective furniture cover

- **W** = Width is measured from the (widest point) from the right side to left side.
- **D** = Depth is measured from front to back at its (deepest point).
- **H** = Height is measured from the ground to the (highest point) of the piece.
- **Dia** = Diameter is measured from the (widest point) across the table top.

The (8) modular covers are interchangeable and can be zipped together to create one complete unit.

### Modular Collection

- **R** Right End (Left Facing)
- **M** Middle
- **L** Left End (Right Facing)
- **C** Corner
- **E** Extension
- **WR** Wedge Right End (Left Facing)
- **WC** Wedge Center
- **WL** Wedge Left End (Right Facing)

**Note:**
- Style codes for easy identification.
- Modular Extension style allows greater flexibility for larger styles.
- Color = zipper side (OPEN)

### Modular Cover System

Our innovative modular cover system offers uniquely designed protective furniture covers to cover most modular styles. All styles can be joined together to cover the entire modular set, no matter what configuration.

To join styles together...

1. Zip covers together to desired configuration.
2. Cinch ties to secure covers to furniture.

Science behind Shade

Solar radiation can dramatically change the temperatures of an object that it hits, heating it far above the actual air temperature. The proper shade over your dining or deep seating areas can reduce the temperature up to 20%.

A sweltering 95° can become a comfortable 80° with the proper shade!

Terms & Conditions (subject to change, without notice)

As a condition of doing business with Treasure Garden, Inc. and its affiliates (hereinafter, "TG") all persons involved in the commercial purchase, sale, or resale of TG products, each, a "Dealer" shall be bound by the following terms and conditions (the "Agreement").

Distribution:
To qualify as an authorized TG retail Dealer a business must:
• Have a permanent store-front retail business location with reasonable space to display TG products and accessories.
• Maintain an inventory of TG merchandise throughout their outdoor product selling season.
• Reasonably accommodate purchases of anyone showing interest in TG products.
• Be moderately capable of "after the sale" service and support to the end-user and reasonably accommodating of consumer requests for such service and support.
• Retail Dealers should be qualified or trained by their TG sales representative.
TG reserves the right to respond to geographic and individual market and competitive situations by applying different policies to its various Dealers. TG also reserves the right to rescind or modify, in its sole and absolute discretion, any existing or future sales program or policy, or the credit terms (if any) extended to a Dealer. In addition, TG may terminate any authorized Dealer, for any reason or no reason, in its sole and absolute discretion and without notice.

Credit Terms:
The signature of the TG commercial credit application agreement begins the process of establishing a credit line or billing account with TG. Until a credit application is signed, all orders may require payment in advance; meaning payment must be paid in its sole and absolute discretion. Any disputes between TG and a Dealer may be subject to credit approval and acceptance by our home office in Baldwin Park, California and TG may terminate the extension of credit, for any reason or no reason, in its sole and absolute discretion. Any disputes between TG and a Dealer may be brought in the Courts located in California regardless of where the Dealer is located.

Credit files are routinely reviewed and a current financial statement or information may be requested by TG and must be provided within 14 calendar days. TG may also request another states resale certification or resale number for tax exempt purposes. Credit Terms will prevail.

Prices:
Prices listed in the catalog are suggested retail prices. A Dealer's cost is based on the designated Dealer classification. Ask your Sales Representative for details regarding TG's 2018 programs and pricing structure.

Taxes and Surcharges:
The Manufacturer’s Suggested Retail Price ("MSRP") does not include any state tax, local tax or surcharges. California sales tax may apply to shipments made within California, picked up at our California facility or drop shipped within the state of California unless we have a CA resale certification on file. For shipments out of CA the appropriate sales taxes will be added to acknowledgments or invoices unless we are provided with a valid State sales tax exemption certificate. Sales taxes will be added based on the address where the product is being shipped to. We collect sales tax in our nexus states, as of May 2017 our nexus states are CA, CO, FL, GA, IL, MA, MD, MI, MO, NC, NV, NY, OH, PA, TN, TX, UT & WA. Please note that CA, MA & MI will not accept another states resale certification or resale number for tax exempt purposes.

Order Procedures:
We accept orders from an authorized retail Dealer or contract accounts only. Ask your sales representative for details on becoming an authorized retail Dealer or contract account.
If you place an order with Treasure Garden and you or your designee accepts delivery of any goods in relation to the order (whether or not you believe the delivery conforms with the order) you will be bound by the terms and conditions of our 2018 catalog. If you do not accept all of the Catalog Terms you must notify us in writing within 10 days of receiving your acknowledgment or the goods, whichever occurs sooner, to cancel or return the order at your expense. If you fail to do so, you will be bound by the Catalog Terms. In the event of a conflict between the terms on any purchase order, invoice, acknowledgement, or other document and the Catalog Terms, the Catalog Terms will prevail.

Opening orders under $5,000 (or clients without open credit terms)
Orders must be paid in advance via business check, cashier’s check or wire transfer before the order is manufactured (we do not process C.O.D. orders, or hold credit card information on file). Once your order is sent in, please allow at least 3-5 days for us to process and price your order. We will email an order quote with your prices, estimated shipping charges and prepayment instructions. Once your payment is cleared from the bank, a new acknowledgement will be issued with your estimated ship date. Clearing of checks may take anywhere from 2-5 business days for any checks issued from domestic banking institutions.

Opening orders over $5,000
Dealers must send in order with a complete TG Credit Application Agreement. However, all Dealers will be bound by this Agreement regardless of whether they sign the TG Credit Application Agreement.

Allow at least 1 week for credit processing and approval, allow at least three weeks delivery time for items purchased on credit. If you do not wish to establish open terms, please review the preceding section. These are estimated times only. A more accurate shipping date will be provided on your order acknowledgment.

To ensure that your order is processed without delay we require:
• A written purchase order (no phone orders) from an authorized Dealer including the business name, account number, phone number and purchase order number.
• Ship date and specific shipping instructions. If you request freight collect or 3rd party billing, please provide the account number.
• Our item/style number, fabric number, type and color.
• Quantity of each style.
• Customer’s name on all Special Orders.
• Order type:
  • SP = Special Promotions
  • EEB = Early Early Buy
  • TGEX = TG Express Order
  • EB = Early Buy
  • BCEX = Umbrella Light, Base & Cover Express Order

Please note that any discrepancies in your purchase order can cause significant delays. You must review the acknowledgment for accuracy and advise TG immediately of any discrepancies or changes. Lead time starts once order is finalized.

Freight Charges:
The shipping charges on your invoice may differ from those on your acknowledgment. This is largely due to instability in today’s fuel economy. Please understand that these charges are assessed by the carrier, not TG. These charges can sometimes include fuel surcharges, lift gate, extra delivery charges, as well as standard pallet fees (up to and in excess of $39 each), box pallet fees (up to and in excess of $45 each) which may not have been indicated on the preliminary freight quotes. The pallet fees may increase depending on the cost of these items. If the freight charges are prepaid & added to your invoice, the shipping charges may include any applicable pallet charges. To ensure the most economic freight for our customers, we are constantly reviewing freight rates. If we ship your orders freight collect or 3rd party billing we will bill your company for any applicable pallet charges.

Changes/Cancellations:
No cancellations, changes, additions or holds will be accepted for any order for which materials have been ordered or produced. Cancellations and/or changes of product or shipping dates on EARLY BUY orders (as defined below) must be received at our office in writing within 30 days of the acknowledgement date. Cancellations and/or changes of product or shipping dates on IN SEASON orders (i.e., orders placed between April 1st and July 31st) and SPECIALTY orders must be received in writing within 5 business days of the acknowledgement date. Cancellations and/or changes of product or shipping dates on TG EXPRESS orders must be received within 2 business days of the acknowledgement date. Cancellations and/or changes of product or shipping dates on BCEX orders must be received within 24 hours of the
acknowledgement date. NO EXCEPTIONS. Orders that do not follow these
guidelines will be charged a 25% re-stocking or handling fee. We cannot guarantee
that purchase orders added to an existing order will be shipped together.
If items are added to an order or an item on an order is changed, the entire order may
be rescheduled as of the date of the change. This may result in a later ship date than the
original order. In the event an order is refused and returned to us, a 25%
restocking/handling fee may be assessed in addition to the inbound and outbound
freight charges.

Container Orders:
Due to the special pricing on container orders, all containers must be prepaid via wire
transfer or paid by letter of credit. The purchase of a container may also involve bank
charges and other charges unrelated to the price of the product including but not
limited to duties, storage, shipping and transportation charges, third party inspection
charges whether inspected at point of origin, point of entry or point of delivery. Once
your purchase order is sent in, we start reviewing and scheduling your order into our
production schedule. It is important that you inform the Baldwin Park office of any
order changes within 10 business days from when your order is sent in. After
reviewing your purchase order, we will mail or fax an order acknowledgement with
your payment instructions.
We must be informed of any discrepancies or revisions to CONTAINER ORDERS in
writing within 10 business days of sales order acknowledgment date.
No cancellations are allowed. When placing orders, please be mindful of Chinese
New Year. Generally, our manufacturing schedule is tight around that time.

Order Scheduling:
Deliveries are subject to fire, storm, flood, war, rebellion, riot, strike or labor trouble,
terminations to transportation, perils of navigation, damage to factory, equipment of
facilities, governmental mandates, including the exercise of acts of God, failure of our
sources of supply in whole or in part, and other cause beyond our control. We shall
not be liable for any damages or failure to deliver or delay in delivery due to any such
causes. If possible we will attempt to ship merchandise the week of the requested
ship dates. However, in order to maintain an orderly schedule, we reserve the right to
schedule the merchandise shipment to the nearest available production schedule and to
ship accordingly.
Our regular business days are Monday through Friday.

Back Order/Partial Shipments:
Due to the considerable amount of items we offer, we may not initially be able to ship
deliver or your entire order. In such event the balance and/or entire order thereof will
be back-ordered and shipped and delivered at a subsequent time or times. Standard
shipping charges will apply to partial or back order shipments.

Shipments:
IN-SEASON: Our goal is to ship IN SEASON orders within 10-20 business days of
the acknowledgement of the order.
EARLY BUY: We will make every effort to ship orders received during the EARLY
BUY period within 30 business days of the estimated ship date. All scheduled
shipments will be at the factory's convenience.
SPECIALTY/CUSTOM: Our goal is to ship SPECIAL ORDERS within 15 business
days of the acknowledgement of your order.
TG EXPRESS: Our goal is to ship TG EXPRESS orders within 5-7 business days of
the acknowledgment of the order. Large quantities may result in partial shipments.
This is a goal – not a guarantee – and may be slightly affected by availability of fabrics
& consumer demands.
BCEX: Our goal is to ship BCEX orders within 3 business days.
Notwithstanding anything to the contrary herein, TG does not guarantee that any
shipments of any type of product or order will be delivered at or before a date certain.

ALL SHIPMENTS - TG shall, in the event of no routing instructions from the buyer;
select a carrier, which it feels, in its sole discretion, can adequately handle each
shipment.

Early Buy Orders:
The deadline for the 2018 Season Early Buy Program is December 31, 2017. These
dates are subject to change depending on our production schedule. Due to the
special pricing and payment terms of the Early Buy order, we are unable to restrict or
limit the shipping dates; you must be prepared to accept shipment of the Early Buy
order at TG’s sole convenience. There is a minimum of $5,000 for Early Buy orders.
Ask your Sales Representative for details on our EARLY BUY program.

Freight Claims:
All merchandise is delivered to the carrier in factory new condition. Our FOB shipping
points are Baldwin Park, CA or Ningbo, China.
The FOB location depends on your order type and product availability. The carrier
accepts responsibility for the safe delivery upon acceptance of the shipment.

TG should be notified immediately regarding any claims. Claims for loss or damage
sustained in transit must be filed by the Dealer, as follows:
Visible Damage:
It is the Dealer’s responsibility to check the merchandise and file a claim with the
carrier if the shipment was made using the dealer’s carrier and account. Request a
claim form from the delivering carrier and file your claim immediately. If the shipment
was made using TG’s carrier and account, it is the Dealer’s responsibility to check the
merchandise and notify TG immediately of the situation so that a claim can be filed.
In either situation, make a notation on the Bill of Lading as to the nature and extent of
the damage and obtain a signature of the carrier’s agent. (Failure to adequately
describe this information may result in the carrier refusing to honor the claim and TG
will not, under any circumstances, be liable for damage sustained in transit).
Concealed Damage:
If damage is discovered when unpacking the merchandise, immediately mark the
damaged area and submit a written request for the carrier to inspect. Attach a copy of
the concealed damage information. Do not remove the merchandise from the original
carton until the carrier inspection is complete. If the merchandise was shipped using
TG’s carrier and account, it is the Dealer’s responsibility to notify TG immediately
of the situation so that a claim can be filed.
Shortage:
It is the Dealer’s responsibility to inspect all merchandise and to file claims with the
carrier in the event of product shortage. Make a notation on the Bill of Lading as to
the number of cartons short. TG must also be notified immediately of any shortages.
File the claim with the delivery carrier immediately. No claim for shortages, damaged
items or errors will be honored unless it is made in writing on the Bill of Lading
immediately upon receipt of the shipment. Notwithstanding anything to the contrary in
this Agreement, failure to make a claim on the Bill of Lading will constitute a waiver of
any rights to a refund or credit.

Return Goods:
No returns will be accepted without a written Return Authorization (RA#) from the
factory. It is the Dealer’s responsibility to follow routing instructions. Please fax in a
request for an RA#. Your request must include the following information:
• Company name, contact name, number & store hours;
• The TG invoice and/or acknowledgement;
• The item no., number of units to be returned and carton total;
• The reason for the return; and
• Which carrier will be returning the goods and the date of the shipment.
Any item that is returned for credit that is not under TG’s warranty policy is subject to a
25% restocking fee (and must be properly packaged) plus inbound and outbound
freight charges, if applicable. Any item that is returned for repair or replacement that is
not under TG’s warranty policy is subject to the applicable repair charges listed in the
“Other Fees” section, below.

Errors:
There may be errors in the prices, descriptions or images of certain merchandise in
our catalog or sales material. We reserve the right to restrict orders of those items.

Other Fees:
These fees apply to both contract accounts and retail Dealers.
• Non-warranty repairs are subject to a labor charge of $35 per hour plus
applicable parts, inbound and outbound freight charges. Please allow at least 5
business days for processing.
• A $15 handling fee will be added to any purchase under $50. To avoid this fee,
please accumulate your product needs and place orders together. DOES NOT
APPLY TO PARTS, FABRIC BY THE YARD OR DISPLAY STANDS.
• A $15 drop shipment fee will be added to drop shipment orders. We can drop
ship orders to US addresses only. The appropriate sales and use tax will be
added to the orders unless we have a resale certification for the state that the
items are being shipped to. Depending on the item, additional delivery charges
may apply. TG reserves the right to rescind or modify, at its sole discretion, drop
shipments or the drop shipment of specific items.
• A $25 service charge will be assessed on any returned check.
• Pallet fees, residential delivery fees, lift-gate fees, and “call before delivery” fees
vary depending on the carrier. Pallet fees may be billed to your invoice if your
order is sent freight collect or 3rd party billing.

Shipping:
Most TG products can be shipped using parcel companies (UPS, FedEx or other).
Some of our larger or heavier products however, must be shipped with a trucking
company.
Such products are identified with the “Truck Only” icon.  Truck only
